

Application Form - ESOR Visiting Professorship Programme Europe 2026

We cordially invite all ESR institutional member societies (national societies) to apply for an ESOR Visiting Professorship Programme.

The ESOR Visiting Professorship Programmes are one-day educational activities delivered by three European faculty members taking place in connection with national or regional radiological meetings. The respective topics are chosen by the inviting societies.

The Visiting Professorships aim to improve access to Radiological training and educational resources for aspiring physicians and scientists everywhere, with the goal of ensuring better healthcare for future generations in all regions.

Please submit your application no later than August 30, 2025 to: esor@myesr.org.

All applications are subject to approval by the ESR Board of Directors.

1) PERSONAL DATA

Prof./Dr/Mr./Mrs./Ms. (please indicate)

First name: Last name:

National Radiological Society:

Function:

City: Country:

Phone: Email:
